

“ *Participating in Ticket to Work was the best decision I’ve made in my 10-year career with TCOE. We are now at a point where our program is totally self-sufficient with Ticket revenue. We now have a revenue stream that will pay the bills and we are no longer subject to annual contract reductions and cancellations. We are finally there!* ”

Helping Social Security Beneficiaries with Disabilities Choose Work

A Joint SSA, CESSI and MAXIMUS Ticket to Work Partners Training

Tap unrestricted resources that can help your organization expand service capacity, while helping people with disabilities find success in employment. The Social Security Administration’s Ticket to Work Program offers support for Americans with disabilities who want to work, by funding providers who help them find a path to self-sufficiency through employment.

Join other professionals for a day of collaboration and education about how your organization can benefit from this valuable program. **The Choose Work Tour will visit Boston, Los Angeles, New York, Houston and Miami. More cities to be announced soon.**

Who should attend:

- Organizations that help Social Security disability beneficiaries (“Ticket Holders”) prepare for, find or maintain employment will learn how the Ticket Program can provide financial and other supports.
- Authorized Employment Networks (ENs) will be offered training, technical assistance and best practices models from Program staff and other successful ENs.
- All participants will have an opportunity to network with community Ticket partners, create new partnerships and/or join the growing number of ENs serving the community.
